Gentle Dove Farm was delighted to present at the Ithaca Agway Educational Seminars sponsored by Nutrena! Around 200 people braved the winter weather advisory to attend at Cornell's Oxley Equestrian Center in Ithaca, NY on March 23rd. We gave a demonstration with Dillon and then worked with two local rider teams sharing obstacle training tips. Check out our presentation demonstration video found on our new [Gentle Dove Farm YouTube Channel](#). We hope you enjoy it too! We had a great time and thank all who came!

Also on our Gentle Dove Farm YouTube channel is a taping from one of our police competitions in Kingston, Ontario, Canada! Enjoy!
